## FROM THE MANAGER'S DESK

Mark your calendars for 20 September as Cheshire Home Summerstrand invites you to **tee off for a cause** that's close to our hearts. The **Annual Cheshire Home Golf Day** is more than just a round of golf—it's a chance to make a significant impact on the lives of 56 physically disabled adults who call Cheshire Home their sanctuary.

As you know, the Home needs as much support as possible. Our oven at work has just 'called it a day' and the replacement value of this oven is R138 000. That is our target for the Golf Day for 2024.

# CASUAL DAY 2024 ON FRIDAY 6 SEPTEMBER 2024!

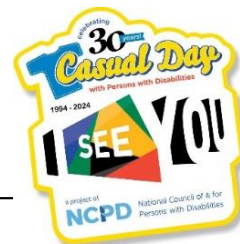

## THEME FOR 2024:

**"I SEE YOU"** transcends the ordinary act of seeing with eyes; it's about recognising the inherent worth, dignity, and uniqueness of each of us. Seeing the challenges, seeing the potential, seeing people for who they are. Too often over the last 30 years persons with disabilities have had their rights overlooked, they've been unseen.

Of every **R20 sticker** the Home sell for Casual Day **we get R9**. We will be able to use the funds we raise for the direct benefit of the **57 disabled adults and 15 disabled children (Khaya Cheshire), we care for at Cheshire Home Summerstrand.**

Please contact us for **stickers as soon as possible so you can start selling early**. We sincerely hope that **YOU** will **support** us on Casual Day.

## HERITAGE MONTH 2024

As we shake off our winter blues and jump into spring down here in South Africa, we're also jumping into heritage month.

This month recognises aspects of South African culture which are both tangible and intangible: creative expression like music, our historical inheritance, language, the food we eat as well as the popular memory, and it comes to a head on September 24, which is Heritage Day and a national public holiday.

The **first Heritage Day was instituted in 1995**, after the first free elections that spelled the end of apartheid and the beginning of a new, non-racially based democracy. The official government definition of the "heritage" in "Heritage Day" counts it to include all that the people inherit, such as culture, history, wildlife, monuments, artwork, literature, music, folklore, languages, culinary traditions, and more. In 1996, **president Nelson Mandela** declared that Heritage Day would help South Africans use their "rich and varied cultural heritage" to "build our new nation."
